## PROFILE

As a dedicated Biotechnology undergraduate at the Sri Lanka Institute of Information Technology, I am passionate about integrating life sciences with digital health innovations. With a strong academic foundation in biological sciences and recognized communication skills, I aim to contribute meaningfully to the advancement of biotech-enabled healthcare solutions. I am eager to gain hands-on experience in data analysis, research, and interdisciplinary collaboration, applying my knowledge to real-world challenges while supporting the growth of innovative healthcare approaches.

## EDUCATION

### BSc (Hons) in Biotechnology

Sri Lanka Institute of Information Technology 2025- present
